

School Cycle Adventure

Parkcycle offers a tailored cycle adventure for school students to explore the natural environment of the park on safe, traffic free trails.

Why choose us?

One of London's most beautiful natural areas provides a rich natural learning environment perfect for engaging students in a shared fun and learning experience.

About Richmond Park

Richmond Park is London's largest Royal Park and the largest urban park in Europe.

Established in 1625 by Charles I as a hunting park for red and fallow deer, Richmond Park is now managed by The Royal Parks.

The park is home to:

- Diverse wildlife and natural habitats
- Isabella Plantation's exotic plants
- Pembroke Lodge Georgian mansion
- King Henry's Mound view-points
- Pen Ponds bird sanctuary
